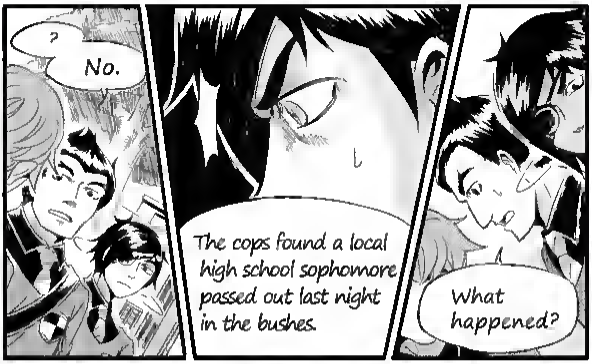
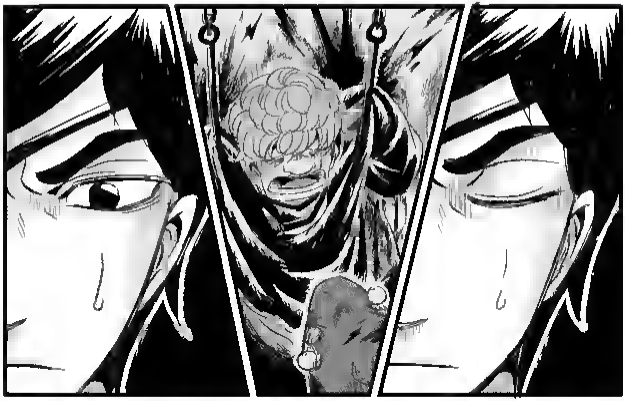
Dude you should have come out to that tryout you woulda killed it!
Everyone there sucked big time.
Everyone huh? Caleb?
Does that count you?
Everyone except me jerk off.

Did you guys see the news this morning?



?
No.
The cops found a local high school sophomore passed out last night in the bushes.
What happened?

She said on the news she didn't know how she got there.
They said she had defensive wounds,
and the reason why she can't remember is probably some kind of Trauma Amnesia.



Wow,
was she cute? What school did she go to?
Not sure, her name was Jessica White I think.

Connor , have you ever heard her before?
Apparently she's a champion swimmer or something.

No, never heard of her.

!?
What is...?
Connor.

!?
I saw what you did to that rapist.
Who are you?
Very impressive work,
sending him to meet Vetis, the Demon Grand Master of Torture.
!? Is that his name?

Heh?
you don't even know his name!?
How interesting, do you not remember how you did it?
I... when it happens I lose myself,
almost like I am being taken over by something.
Let me see your face,
how do you know these things!?
Hehehehe,
I want to see more of your power, Connor
You must figure this out for yourself,
once you do I will find you.

Wait!!
Asura...

Continue.
